TREE PLANTING AND COASTAL CLEAN UP ACTIVITY

An Environmental program initiated by Toyota Angeles Pampanga, Inc. and supported by Toyota Motor Philippines held at Sitio Batson, Bamban Tarlac last October 23, 2025.

760 pcs of various kinds of seedlings consist of Guyabano , Mango and Narra were picked up at the assigned area for planting.

Upon arrival to the site, TMs immediately started to plant the Saplings and a fine weather has been experience during the whole activity.

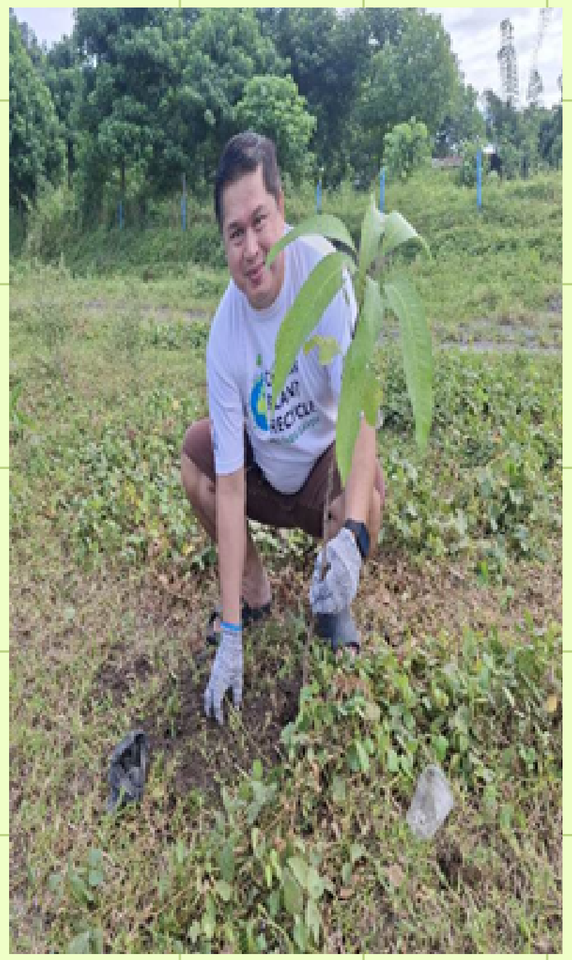

After planting in the designated area, TMs moved to nearby location to clean up along the riverside.

Participants of the activity are from different departments and section of Toyota Angeles Pampanga Inc.
